

# Let's Keep Working Together.

Our local businesses are local families.

## Give Thanks

The staff working are risking their health to provide the goods and services you need. Be kind and courteous during this difficult time.

## Delivery or Pick-up

Many of our restaurants, food and supply stores are offering delivery or curbside pick up for your needs.

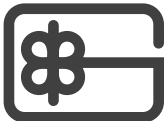

## Get Social

Like and follow our local suppliers to get up to date information. Share their posts to help them spread the word.

## Review

Leave a great Google review for a business to help lift owners' and workers' spirits and share the great things they do.

## Buy in advance

Purchasing gift cards for future goods and services from our local businesses.

## Go digital

Many businesses have websites and on-line product information.
